Information That You Provide to Us

We are relying upon the information **You** provide to **Us**, either directly or indirectly through any person acting on your behalf (Intermediary), in deciding whether to provide **You** with the Benefits and on what terms and at what price.

If **You** become aware that any information **You** have given **Us** is not complete or accurate or **You** fail to notify **Us** that the information **You** have provided **Us** is inaccurate or incomplete, and **We** establish that **You** deliberately or recklessly provided **Us** with false, misleading or inaccurate information, then **We** may treat this **Agreement** as if it never existed and decline all claims.

If **We** establish that **You** carelessly provided **Us** with false, misleading or inaccurate information, then the Benefits under this **Agreement** could be affected and **We** might, for example:

Conditions Precedent

You must comply with the following Conditions Precedent, unless **We** agree in writing to the contrary, before any contractual duty that **We** might have to **You** under this **Agreement** arises.

1. Notification of Claims

It is a condition precedent to **Our** liability that **We** be notified by **You** in writing during the **Period of Agreement** and as soon as practicable after **You** are aware of any cause, event or circumstance which has given or may give rise to a **Claim**, dispute or legal proceedings involving **You**.

Where this notification has been given, **We** agree to treat any subsequent **Claim** in respect of the same cause, event or circumstance as notified as though the subsequent **Claim** had been notified during the **Period of Agreement**.

2. Our Consent

It is a condition precedent to **Our** liability that **Our** consent to incur **Legal Expenses** must be obtained in writing prior to **You** incurring any **Legal Expenses**. This consent will be given by **Us** if **You** can satisfy **Us** that:

- a) it is reasonable to incur **Legal Expenses** having regard to the proportionality between the remedy claimed and the **Legal Expenses** to be incurred and;
- b) where **YOU** are pursuing a claim, there are reasonable prospects of proving the other party's legal liability and of recovering the damages claimed or other legal remedy sought; or
- c) where **You** are defending a claim, the other party does not have reasonable prospects of proving **Your** legal liability.

If during the course of a **Claim** **You** cease to satisfy **Us** in respect of the applicable points a-c above, all future payments will cease in respect of **Legal Expenses** related to that **Claim**.

The decision to grant or withhold **Our** consent will be made on receipt of the following information:

- a fully completed claim form; and
- the information and documentation **We** reasonably request; and
- a legal opinion from the **Appointed Representative** as to the applicable points a-c above; and
- any advice **We** may deem necessary to take.

With **Your** agreement, **We** may provide assistance in settling disputes or legal proceedings, the costs of which will be covered under this **Agreement** subject to the payment of the **Contribution** and **Retained Amount** within the **Limits of Our Liability**.

We may require **You** to obtain an opinion from Counsel at **Your** expense assessing the merits of the subject matter of the **Claim** and any legal action. If based upon this opinion **We** are satisfied in respect of the applicable points a-c above the **Legal Expenses** in obtaining that opinion will be paid by **Us** within the **Limits of Our Liability**.

In granting **Our** consent **We** undertake to pay **You** subject to the terms and conditions of this **Agreement** and its **Schedule** but this consent does not imply that all **Legal Expenses** will be paid. In particular **Legal Expenses** for matters that go beyond the immediate scope of the **Claim** shall be deemed by **Us** to fall outside the services provided under this **Agreement**. **We** reserve the right to limit **Our** consent by time and/or financial amount of **Legal Expenses** and/or stage of proceedings to allow for a review of **Our** continued consent.

If after **Our** prior written consent has been granted it is shown the **Claim** has not been brought within the terms and conditions of this **Agreement** and its **Schedule**, **Our** consent will be withdrawn and no Services under this **Agreement** shall be provided for this **Claim**. **We** shall be entitled to recover any **Legal Expenses** previously paid.

If **You** elect to proceed with the pursuit or defence of a dispute or legal proceedings to which **Our** consent has not been granted because **You** have not satisfied applicable points a-c above, and if **We** consider, in our absolute discretion, that **You** have been successful in this pursuit or defence, **We** may pay the **Legal Expenses** incurred after **Our** consent had not been granted subject to the terms and conditions of this **Agreement**.

3. Disclosure

It is a condition precedent to **Our** liability that:

- a) **You** must give the **Appointed Representative** and **Us** all necessary cooperation, assistance and information including a complete and truthful account of the facts of the **Claim** and all relevant documentation or other evidence in **Your** possession; and
- b) **You** must provide, obtain or execute all documents as necessary and attend meetings or conferences as requested; and
- c) **You** must instruct the **Appointed Representative** to provide **Us** with any information, documents or advice in connection with any **Claim** and the subject matter of any **Claim** even if privileged; and
- d) **You** must instruct the **Appointed Representative** to provide **Us** with regular updates on the progress of the subject matter of any **Claim** and inform **Us** as soon as practicable if and when any circumstance adversely impacts the factors on which **We** granted **Our** consent.

The Services under this **Agreement** may be withdrawn if **You** fail to co-operate with **Our** or the **Appointed Representative's** requests or if **You** or the **Appointed Representative** fails to provide **Us** with any information in connection with any **Claim** or the subject matter of any **Claim**.

4. Offer of Settlement

It is a condition precedent to **Our** liability that **You** must inform **Us** in writing as soon as an offer to settle the subject matter of the **Claim** is received and/or **You** propose to make an offer of settlement. In deciding whether to accept or reject any settlement offer, **You** must consider the **Legal Expenses** incurred or likely to be incurred and recovered.

No Services under this **Agreement** shall be provided if **You** enter into any agreement to settle without **Our** prior written consent (this consent not to be unreasonably withheld) and **We** shall be entitled to recover any **Legal Expenses** previously paid.

If **You** reject an offer of settlement which **We** recommend that **You** accept, or **You** make an offer with which **We** do not agree, no further Services under this **Agreement** shall be provided for the subject matter **Claim**.

We may at **Our** discretion decide to pay **You** the amount of damages that **You** are claiming or that are being claimed against **You** instead of paying **You** for **Legal Expenses** to pursue or defend the dispute or legal proceedings. Where **We** exercise this discretion, **We** will cease to be liable for any further **Legal Expenses** for the subject matter **Claim**.

Sections of Benefits

The Sections of Benefits applicable to **You** are specified in the **Schedule**.

We will only pay **You** for **Claims** where the dispute or legal proceedings are or would be within the **Territorial Limits** and are pursued and/or defended and/or arbitrated and/or litigated under the jurisdiction of England and Wales and the **Claim** is notified during the **Period of Agreement** and the dispute or legal proceedings are in connection with activities within the scope and extent of **Your Business Description**.

15. Sanctions, Export and Exchange Control

We shall not be deemed to provide any benefit and **We** shall not be liable to pay any **Claim** or provide any benefit under this **Agreement** to the extent that the provision of such benefit, payment of such **Claim** or provision of any benefit would expose **Us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Singapore, the European Union, the United Kingdom or the United States of America.
